

# Course2: Bio-Rad Discovery Day

October 10

# 2017

If you are looking for a complete Cell biology, Genomics and proteomics solution with high confidence, reliability and precision during you experiment join us!!!

**KAIMRC's  
Research  
Laboratories**

**Bio-Rad Laboratories**

**For more information contact:

## Program content:

Speakers: Dr. Imad Aoudé and Dr. Amro Kabbara

- 09h30-10h15: *“Sort smarter with our Walk-up, Automated and Hands-free Bio-Rad’s S3e Cell Sorter”*
- 10h15-11h15: *“Direct Quantification with the 3<sup>rd</sup> Generation PCR”*
- 11h15-11h30: Coffee Break
- 11h30-12h30: *“Discover our New Technologies in Proteomics”*:
  - The complete V3 Western-blot Workflow
  - Our Comprehensive Solutions for protein purification. The next Generation Chromatography
  - The Multiple Analyte Profiling technology. The Bio-Plex
- 12h30-12h45: Show and Tell

Bio-Rad Laboratories
